I wanted to archive my cat sitting like a human. I think these moments are hilarious, and I would like to capture as many as I can.

I wanted to also archive my cat
curled up into a ball to sleep.

If i were to do this, I would want
the words in the text to wrap
around themselves they screen.

I wanted to archive my cat's paws. Cat paws have always been adorable and fascinating, I would love to create an archive that demonstrtes how elusive his hands are (since he doesn't like to be touched"
